

IN THE UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF CALIFORNIA

IN RE: TFT-LCD (FLAT PANEL) ANTITRUST  
LITIGATION

No. M 07-1827 SI

MDL No. 1827

This Order Relates to:

ALL CASES

**ORDER CLARIFYING ORDER  
CERTIFYING DIRECT PURCHASER  
CLASSES RE: GEOGRAPHIC SCOPE  
AND CLASS REPRESENTATIVES**

Defendants have filed a motion for leave to file a motion for reconsideration of the order certifying direct purchaser classes. Defendants assert that the order must be clarified in two respects. First, defendants assert that each of the class definitions should be modified by inserting the words “in the United States” after the words “a TFT-LCD panel.” The Court finds it appropriate to insert this language, as it was the intent of the order to certify a class of persons or entities that made direct purchases in the United States.

Second, defendants state that the order should explicitly state which plaintiffs represent the panel class and which plaintiffs represent the product class. The Court agrees with defendants that only those named plaintiffs that purchased panels may represent the panel class, and that only those named plaintiffs that purchased televisions, monitors or laptops may represent the product class. The Court hereby modifies the class certification order to state that Texas Digital Systems, Inc. represents the panel

1 class, and the other named plaintiffs represent the product class. (Docket No. 1832).<sup>1</sup>
